## Notes

This is part of a 6 week timetable of activities – copies available from:

[www.totalcraigroyston.co.uk/summer-activities](http://www.totalcraigroyston.co.uk/summer-activities)

The timetable is produced to help coordinate some of the provision available in the area but also to have a 'single place' to find out about activities that are on. We try to make sure that everything is correct when published but advise everyone to check with the organisations before turning up.

**Spaces:** Where a number of spaces or 'sign-up' is entered then please contact the organisation directly to find out whether there is room on an activity. Blank spaces are usually drop-in activities. Again, before heading along please contact the organisation to confirm arrangements. This will help avoid disappointment!

**Costs:** Some of the activities have a small charge in order to take part. Contact organisations beforehand to confirm costs.

**More Information:** If you want to know more about an activity then please contact the organisation that is running the event.

**Corrections/Updates/Missing:** We want to know if something is wrong or missing - this will help us improve future timetables and sharing of information about activities. Please send details to [info@totalcraigroyston.co.uk](mailto:info@totalcraigroyston.co.uk).
